MUNICIPALITY OF CASARSA DELLA DELIZIA

Native land of his mother and adopted by the unforgettable Pier Paolo Pasolini, artist and poet to whom this community opened its arms in the '40s and '50s. The house that welcomed him and the attached academy is still open to visitors. The verses of the poet still echo in the air with descriptions of some of the more striking and fascinating places in the area like Versutta. Placed between the cities of wine, in Casarsa is the headquarters of one of the most prestigious winegrowers co-operatives. At the end of April the more than ten years old Wine festival takes place.
