

PORDENONE
WITH LOVE

MUNICIPALITY OF CIMOLAIS

Capital of the Parco delle Dolomiti Friulane, it overcomes the visitor with its surrounding nature. Between the summits the golden eagle reigns while in the valley floor summer refuges, mountain farmsteads and houses in stone seem to be engraved on the landscape. Above all the "Bell-tower of the Val Montanaia" is dominant; a rare example of a monolith of extreme beauty, just decreed – together with all the Dolomite chain – a protected World Heritage by Unesco.
