WITH LOVE

MUNICIPALITY OF ERTO E CASSO

The unending silence of the valley watches over the agonising cries of those who in '63 lost their lives in the Vajont disaster, an event that is reconstructed in the exhibition of the tragedy a few steps from the dam. To the residences of Erto, protected by the Superintendent of the Arts because they are so typical, are placed alongside those of Casso, spectacularly outstretched towards the sky. On Good Friday the sacred representation of the Via Crucis is held.
