

**PORDENONE**  
**WITH LOVE**

## MUNICIPALITY OF TRAVESIO

Placed at the feet of the Ciaurlec, it is the approach to the mountain territory that presents itself majestically behind. In the hamlet of Toppo, one of the more interesting ones in the Province with its stone houses, the wooden entrance gates and the splendidly flowery lobbies dominate the remains of the medieval castle that has been recently restored and can be visited. During the Easter period there is the traditional and unusual Frog festival.
